Étudiant en Informatique (Licence – L3)
USTHB (L3) 2023-2029

SKILLS

Frontend: React.js, Next.js, Tailwind CSS
Backend: Node.js, Express.js, Strapi
Database: MongoDB, PostgreSQL
Auth: Clerk, JWT, Session Management
APIs: RESTful API Design
Languages: JavaScript (ES6+), Python, C/C++
Version Control: Git, GitHub
Deployment: Render, Netlify
Tools: VS Code, Postman, Git CLI

LANGUAGE

English(B2)

Arabic

Français

EXPÉRIENCE

Full-Stack Instructor& Mentor | Micro Club, USTHB

2025 - Present

- Delivered training sessions in full-stack web development.
- Mentored students in React.js, Next.js, Node.js, Express.js, and MongoDB.
- Guided learners in building real-world web applications.
- Participated in workshops, hackathons, and technical club activities.
- Helped students improve codingpractices andproject development skills.

Instructor | Royal School — 2025 – Present

- Teach C++, Python, Web Development, and Microsoft Office.
- Cover Front-End, Back-End, React, Next.js, Node.js, and Databases.
- Supervise practical projects and workshops.

Full-Stack Web Development Instructor | Mastech Academy — 2025 – 2026

- Taught Front-End, Back-End, React, Node.js, and Databases.
- Supervised student projects and practical workshops.

Full-Stack Developer (Freelance) 2025-2026

- Developed WASSLA, a production mobile app published on Google Play and apple store. - Built backend APIs using Node.js and Express.js.
- Designed MongoDB database architecture and data models.
- Implemented authentication and business logic systems.
- Developed mobile application using React Native.
- Delivered full end-to-endsystem from development to deployment.

Hackathon Participation

- Built modern web applications using Next.js, React.js, and TypeScript.
- Participated in GDG hackathons and collaborative development projects.
- Achieved 1st place in GDG Hackathon with CodeSouls project.
- Won Best Development Team award with GCL Hub platform.
- Worked in agile teams to build scalable and innovative solutions.

PROJECTS

- **Sakinah - Arabic-First Islamic Mobile App**
- **Oussama AI Agent - AI-Powered Assistant Platform**
- **ChoufPrice DZ - Community Price Tracking Platform**
- **GCL Hub - GDG Event & Club Management Platform**
- **Code-Souls - Gamified Front-End Learning Platform**
- **Sakinah Web Plugin - Islamic Web Companion**
- **Web Development Slides - Interactive Learning Resources**
